## At the Airport

- See the Gate No. for your Airlines and enter through that gate only.
- Scan your baggage before you go to your Airlines counter.
- Then go to your Airlines counter and show them your passport and air ticket.
- At the same counter your baggage will be weighed and extra baggage will be charged. The baggage will be sent to your aircraft.
- Collect your boarding pass, passport, air ticket, baggage coupon and receipt of the paid excess baggage.
- You will get Immigration form from the counter, fill it and then take it to immigration counter.
- After immigration clearance, go to customs counter for stamping your boarding pass.
- Now proceed to Gate No. mentioned on boarding pass and wait at waiting lounge till you get further instructions for boarding the aircraft. 9- After boarding aircraft, sit on your allotted seat.
